ADAM'S PIECE

LEATHER IS A STRIKING TEXTILE AND AT THE BEST OF TIMES ITS APPEARANCE IS MOST APPEALING. YET, WHEN THE SAID LEATHER IS OF ANTIQUE HERITAGE AND OVERSTUFFED WITH STRAW THEN IT IS SIMPLY SUBLIME. THIS PARTICULAR LEATHER CUSHION RESTS ATOP A DISTRESSED IRON FRAME, ADORNED BY ORIENTAL DETAILS. THIS STUNNING BENCH UNDOUBTEDLY EVOKES A SENSE OF MASCULINITY AND IS SUITABLE AS EXTRA SEATING IN A LOUNGE, AS A DECORATIVE PIECE FOR A FOYER, OR PERHAPS EVEN FOR A STYLISH OFFICE. AVAILABLE AT **GILDING & DESIGN**, AN ATELIER WHERE GILDED FURNITURE IS RESTORED BY OWNER **HICHAM GHANDOUR**, WHO ALSO DESIGNS FURNITURE USING ORIENTAL INFLUENCES IN A CONTEMPORARY WAY. WITH A REPUTATION THAT SPANS NEW YORK, FLORENCE AND BEIRUT, EXPERTISE IS REST ASSURED.
